

Civil Work Spaces®

DIRECT-DELIVERY PROGRAM

Welcome to the Civil Work Spaces® Program

Workplace incivility can compromise even the best of cultures. If not tamed skillfully, the negative effects of those low-intensity, rude, or discourteous behaviors that occur wherever humans work together will impact everything that matters: productivity, performance, customer service, collaboration, and engagement.

But how do you cultivate a culture of civility?

The Civil Work Spaces® program brings top-notch facilitators to deliver the best civility-boosting training solutions right to you. Built on the foundation of the Respect On-the-Go™ toolkits, your organization can offer its leaders and staff civility-boosting training, rich with strategies, insights, and action-planning activities.

5 Key Reasons to Choose the Civil Work Spaces® Direct-Delivery Program:

- 1. EXPERIENCE TOP-NOTCH FACILITATION.** Our highly qualified facilitators will set you up with the right program/s for your needs and deliver them to your leaders and staff worldwide.
- 2. BUILD CAPACITY, STRENGTHEN CULTURE.** Enrolling leaders and staff in the Civil Work Spaces® training fosters a culture of respect and collaboration by boosting participants' respect-related competencies.
- 3. EMBED THE KNOWLEDGE.** The Civil Work Spaces® program boasts unique features designed to ensure that the learning and strategies are embedded into the culture after the training has ended.
- 4. PREVENT MORE SERIOUS FORMS OF RESPECT VIOLATIONS.** A focus on taming lower-intensity incivility helps reduce the occurrence of harassment and bullying.
- 5. PROVIDE PERSONALIZED STRATEGIES.** Program participants complete a pre-training Personal Respect Barometer™ assessment and receive high-octane, individual strategies based on their assessment results.

Civil Work Spaces® sessions are **interactive, content-rich learning events that motivate participants to feel, think, and act differently with regard to workplace incivility.**
